# REGISTERED TUTORS

## BRITISH INSTITUTE OF FUNERAL DIRECTORS JANUARY 2009

The British Institute of Funeral Directors is responsible for the Registration, Training and Examination of Tutors who wish to prepare students for the Foundation Certificate in Funeral Service and the Diploma in Funeral Directing Examinations.

The list is published each year, in town/area alphabetical order, to assist students seeking tuition for the Diploma in Funeral Directing. As each Tutor sets her/his own schedule and fees, students should contact Tutors direct. All tuition for the Diploma is via face to face sessions and students living a distance away from a tutor should

contact them for special arrangements.

Should you require any help, guidance or advice on matters concerning you as a student, including the selection of a Tutor, please write to:
